Fundamentals
Dog Reactivity

Are you second guessing your decision to get a new puppy? Then **Fundamentals** is for you. In this Module dogs are taught the meaning of the six basic cue's: Sit, Stay, Down, Come, Go, Heel as well as five distraction behaviors. This Module is perfect for those dogs who need help with impulse control, basic manners, and learning how to learn.

Do you visit the dog park regularly? Then **Coming when Called** may be for you. Here we work on a 100% Recall from up to 25' away. Not only will your dog master this crucial skill, he or she will also learn five fun distraction behaviors. Dogs must have basic manners prior to signing up for this Module.

If the thought of walking your dog makes your stress level shoot up, then **Leash Manners** is the Module for you. There's no reason for your arm to be pulled out of its socket or for you to schedule your walks when there aren't any dogs around. Here dogs are taught to walk politely on leash, past other dogs and distractions and listen when you speak with them. Dogs must have basic manners prior to signing up for this Module.

Have a dog that comes on too strong with other dogs? Or maybe just wants to say hi at 140mph?? Then **Dog Reactivity** is for you. Here dogs are taught to maintain their cool when other dogs are around, walk past other dogs and greet politely. Dogs must have basic manners prior to signing up for this Module.
